

If you are having trouble getting to the members only area of our website, it's because your browser security is not allowing the password script to run. You need to make njharmonizers.org a trusted site.

For Internet Explorer, navigate to njharmonizers.org, and then...

1. Go to Tools
2. Click on Internet Options
3. Click on the Security Tab
4. Click on Trusted Sites
5. Click the Sites Button
6. Click Add (njharmonizers should be in the box)
7. UNclick the box that says "require //https:"
8. Click Close
9. Click OK
10. njharmonizers.org is now a TRUSTED site and will let you into the members area
